

THE VERONA RANGE

INTRODUCING THE VERONA RANGE

A fantastic sunshade product available in a wide variety of depths from 3 to 5 metres and lengths of 5 or 6 metres and including the ability to be joined into a building in a lean-to arrangement.

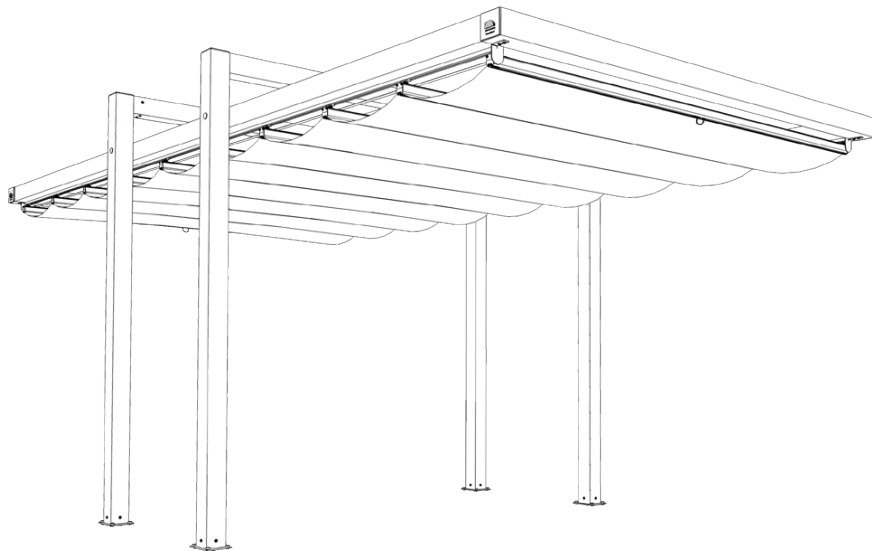

Several standard frame and fabric colours are available, with further bespoke options and individual branding fully possible alongside full LED lighting solutions.

Bespoke units can be manufactured at special dimensions so as to enable a precise fit to any space. Size is no problem – we can build what you need.

A full technical brochure is available.
