

EGS SHADES PRODUCT RANGE BROCHURE

INTRODUCING THE EGS SHADES RANGE

EGS offer a wide range of canopies, fabric buildings, cabanas, veranda covers, and sail structures all designed to provide permanent shading and weather solutions for a wide range of locations from hotel poolside to roof top gardens.

Our stunning ranges are suitable for decked or paved areas providing the perfect shady spot to sit back and relax. These cost-effective shelters allow you to enjoy your outside space throughout the seasons, bringing the outdoors in and

providing an ideal solution for creating lounge style relaxation areas.

Bespoke units can be manufactured at special dimensions so as to enable a precise fit to any space.

Size is no problem – we can build what you need.

PERMANENT STRUCTURAL CANOPY SOLUTIONS THAT CAN BE INSTALLED ALMOST ANYWHERE AND OFFER LONG TERM SPACE SOLUTIONS.

EGS MILAN

A fully enclosable structure with a fantastic range of accessories to include sliding and fixed glass systems, solid and fabric walls and like all the ranges, is available in a wide variety of finishes and colours and can be fully branded.

These units can be co-joined to provide large complexes of cover for a wide variety of purposes that can be fully enclosed, heated and air conditioned to provide an all-year-round solution.

These structures are both available to purchase and also available for short and long-term hire with integral weighted platform systems and a full range of accessories to provide pop up exhibition, sales, or restaurant spaces.
