

THE CANNES RANGE

INTRODUCING THE CANNES RANGE

A range of flying canopy sails that are framed in a modular manner to provide interesting patio shading solutions in two frame sizes running from 9m² to 25m² in covered area in a wide variety of coloured frame and roof systems and colours.

A full range of walling options are available for this multi modular layout unit.

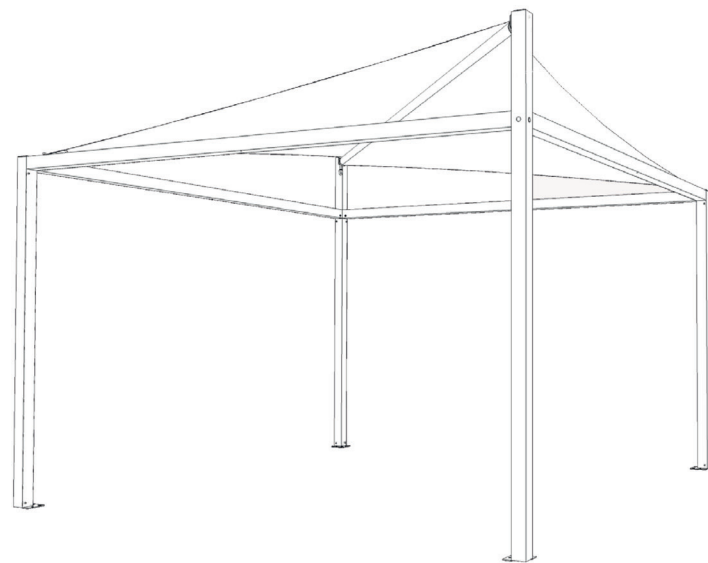

Bespoke units can be manufactured at special dimensions so as to enable a precise fit to any space. Size is no problem – we can build what you need.

A full technical brochure is available.
